ABQ UPTOWN MARRIOTT

*Festival of Trees Benefits the

New Framework for Trees This Year

This year's Festival of Trees has been refreshed and updated. The trees will have identified themes; with many of them including value-added "premiums" (such as awesome trips, tickets to sports events, house concerts, etc.) that tie into the tree's theme. Professional decorators will be creating special holiday masterpieces available for sale and by raffle and auction. Also new for 2021, there will be a combination of real and artificial trees.

Two Tiers of Sponsorship

Tier 1: Premium Sponsorship: \$3,000

- Pays for cost of the tree, lighting, themed decorations, decorator AND special value-added premiums. Your company will be identified as a Premium Tree Sponsor in signage at the events. You will also have the opportunity to suggest a theme or select a theme from a list prepared by CTHF. At this sponsorship level, you'll also receive two tickets to our opening "Mingle & Jingle" gala.

Tier 2: General Sponsorship: \$1,500

- Pays for the cost of the tree, lighting, themed decorations and decorator. Your company will be identified as a Tree Sponsor in signage at the Festival of Trees events. Tree theme will be assigned by CTHF.

Limited Opportunity

The goal is to have fewer, but higher quality tree offerings for 2021's Festival of Trees. To sign up, see the participation form on the next page. For more information, contact Vicki Dugger at Carrie Tingley Hospital Foundation at vdugger@cthf.net. Don't delay!
